

Notes to Script Reader

As of September 26, 2025

THE REWRITING OF "SGT MEAT" IS DONE!

I worked on the script extensively all summer. Begun 5 years ago, it is in much better shape now than it was even just a few months ago.

I have:

- added a few scenes from stories Mike Meath (the real "Sgt. Meat") told me.
- deleted some unnecessary scenes.
- shortened several scenes.
- written some short transition and setup scenes.
- reordered scenes for a better dramatic arc.
- consolidated characters.
- made the changes Mike suggested.
- found a spot for the Warren Zevon song "I'll Sleep When I'm Dead."

The script is now complete, and fully ready to read—version 44.0.

Thanks for reading!
